RE: 92nd Representative District Republican Primary – August 8, 2006

I am writing seeking your help in maintaining a strong Republican majority in the Missouri General Assembly. Rob Pennell of Ballwin is a strong candidate campaigning for the Republican nomination for the Missouri House of Representatives in the 92nd District. Rob is a committed family man who truly understands this district having lived here for almost 30 years. Rob met his wife Anne while attending Parkway Central and now after 20 years of marriage their three daughters, Lauren, Kathryn and Sarah all attend the Parkway School District. Rob earned his law degree from Saint Louis University and his business degree from Washington University. He has been in practice for the last 13 years, the last five of which he has run his own legal practice advising and protecting the rights of individuals and small businesses. In addition to being well regarded in the legal profession, Rob was previously part of our national defense effort managing multi-million dollar engineering development programs for McDonnell Aircraft Company.

Rob is a free market fiscal conservative whose business and legal experience, not to mention personal experience, make him uniquely qualified to understand the relevant issues and what they mean to the residents of the 92nd District. Having distinguished himself for working tirelessly to protect the interests of small business owners and individuals, Rob is now committed to bringing that same determination to serve the 92nd District. Rob will bring more responsive representation and stronger Republican voice to the Legislature.

I ask that you join me now in supporting Rob Pennell in his bid for the Republican nomination for the Missouri House of Representatives in the 92nd District. With the Primary rapidly approaching Rob needs our help so please contact Rob's campaign to place a sign on your property or to contribute funds to help get out his message. The easiest way to do this is via his website at
